

ONA MISSION MULTISPORT ADVENTURE 16th September 2018

Welcome to Ona Mission Multisport Adventure 2018. A fun adventure weekend event set in the most sensational locations - Mission Beach and Dunk Island.

Endure a vast palm-lined beach, World-Heritage listed rainforest, and GBR's tropical Dunk Island

Diary it now for the best adventure weekend in North Queensland!

We are pleased to introduce you to an event where every year our participants tell us what a great weekend it is in Mission Beach. Over the years we have established wide support, participation, and following of this event.

No surprise the highlights are the exceptional nature locations of the course. Including the paddle to Dunk Island with a rainforest trail run to the Island's lookout. Then there is the mountain bike stage along the long Mission Beach beach & on through World Heritage listed rainforests. With a beach & trail run to finish.

Ona Mission is an event run by the volunteers of the Cassowary Coast Multisport Club, with the support of a number of local community organisations and business sponsors. Any resulting funds raised from this event support our community club and a donation to the local Surf Life Saving Club.

It is a fantastic excuse for a weekend of adventures at Mission Beach. This year on Saturday the Outrigger Club is running the *Vaka Tua Motu* (paddle around Dunk Island) and in the evening you can catch the *Mission Beach Outdoor Film Festival* with local adventure videos on show.

You can head to our website for a course map and more details on the Ona Mission weekend, www.onamissionevent.com.au. It's a good idea to also tune into our Facebook page for updates.

This event is only possible thanks to the support of local volunteers, community organisations and sponsors. If you would like to get on board, promote your business and support this event, call us at 0409 040 667.

We look forward to celebrating and sharing the outdoor adventures of Mission Beach and the Cassowary Coast again with locals and people the region over.

Best regards,

Cassowary Coast Multisport Club
